Our Cheerleaders Are What? Red-Hot!

If you have ever attempted to spark the enthusiasm and spirit of the entire North student body, then you know the feeling of a Viking cheerleader. They practiced endlessly throughout the 1977-1978 school year, preparing themselves for performances at the football and Varsity basketball games. The squad organized and executed all the pep rallies to perfection. The Varsity cheerleaders represented North Forsyth in fine fashion when they marched in the Winston-Salem Christmas parade.

Vikings Have Great Football Season

1977 was an unbeatable year for the North Forsyth Football team. They concluded the season with a 7-3 record, that being the best in several years. The Vikings, led by an outstanding defense, were in contention for the District 8 playoffs. However, their hopes dwindled when they suffered two losses at the end of the season. Still, the team yielded an average of only 8.8 points per game, holding three of their opponents to a total of two points.

The Vikings' season was highlighted by its victory over RJR. North got on the scoreboard first when Robert Scales returned a punt 51 yards for the only touchdown in the first period.

The Demons received a break in the second period when they recovered a Viking fumble on the North 13-yard line. Seven plays later, they scored and went ahead on a trick two-point conversion.

Neither team could muster any offense in the third quarter. But the Vikings put it all together early in the final period as Ricky Sprinkle broke a draw play for a 38-yard touchdown. Mike Austell kicked the extra point, which ended the night's scoring. When the final horn sounded, North had defeated Reynolds, 14-8.

Our Valkyries Are the Best

The 1977-1978 Valkyries represented North Forsyth well, with performances at the pep rallies, the football games, the Winston-Salem Christmas Parade, and the Frank Spencer Basketball Classic. However, their excellence and aesthetical performances did not come overnight. Instead, it involved practice, stretching, and hard work. Their reward was the spirited enthusiasm which they created amongst the spectators. The Valkyries displayed an additional talent by capturing first place in the mini-float contest.

Another climax was the defeat of top-ranked East Forsyth. The Viking cagers combined an aggressive offense and defense in handing the Eagles an 18-point loss.

STUDENT COUNCIL

Several weeks before school began, the North Forsyth Student Council prepared for the upcoming 1977-1978 school year. The revision of the student Handbook was one of their initial tasks. The teachers regard them as an invaluable asset in settling preliminary duties.

Throughout the year, many activities and programs were sponsored by the Student Council. Bridging the gap between the students and the faculty, they helped North Forsyth to function in an efficient manner.

The Inter-Club Council worked with individual clubs on projects and distribution of news.

Key Club Officers — Karl Kapp, Secretary; Tim Edwards, President; Randy Burcham, Vice-President.

Key Club Sweetheart — Cindy Marion.

For all you Vikings who rushed to the concession stand each afternoon at 2:30 to buy a drink or a candy bar, you should thank the North Forsyth Key Club. Operating the concession stand after school and at home football and basketball games was just one of their many duties. Other activities included a football game with the North Forsyth Hi-Y to raise money for Young Life, designing a room at the March of Dimes Haunted House, and assisting the Winston-Salem Kiwanis Club with a Pancake Jamboree. The Key Club also participated in the Diabetes Bike-A-Thon, football and basketball games with the Hi-Y, and the sponsorship of a city-wide track meet.

The Anchor Club definitely was not "run ashore" in 1977-1978. They were constantly working on some worthwhile projects either in the community or at North. Their chief community project was acting as a big sister to the Cornelius Cottage and the Smith Cottage at the Children's Home. Other activities included helping the Key Club in the concession stand, giving both a Father-Daughter and a Mother-Daughter Banquet, going Christmas caroling at Knollwood Hall and the Moravian Home, and helping out the teachers in whatever ways they could.

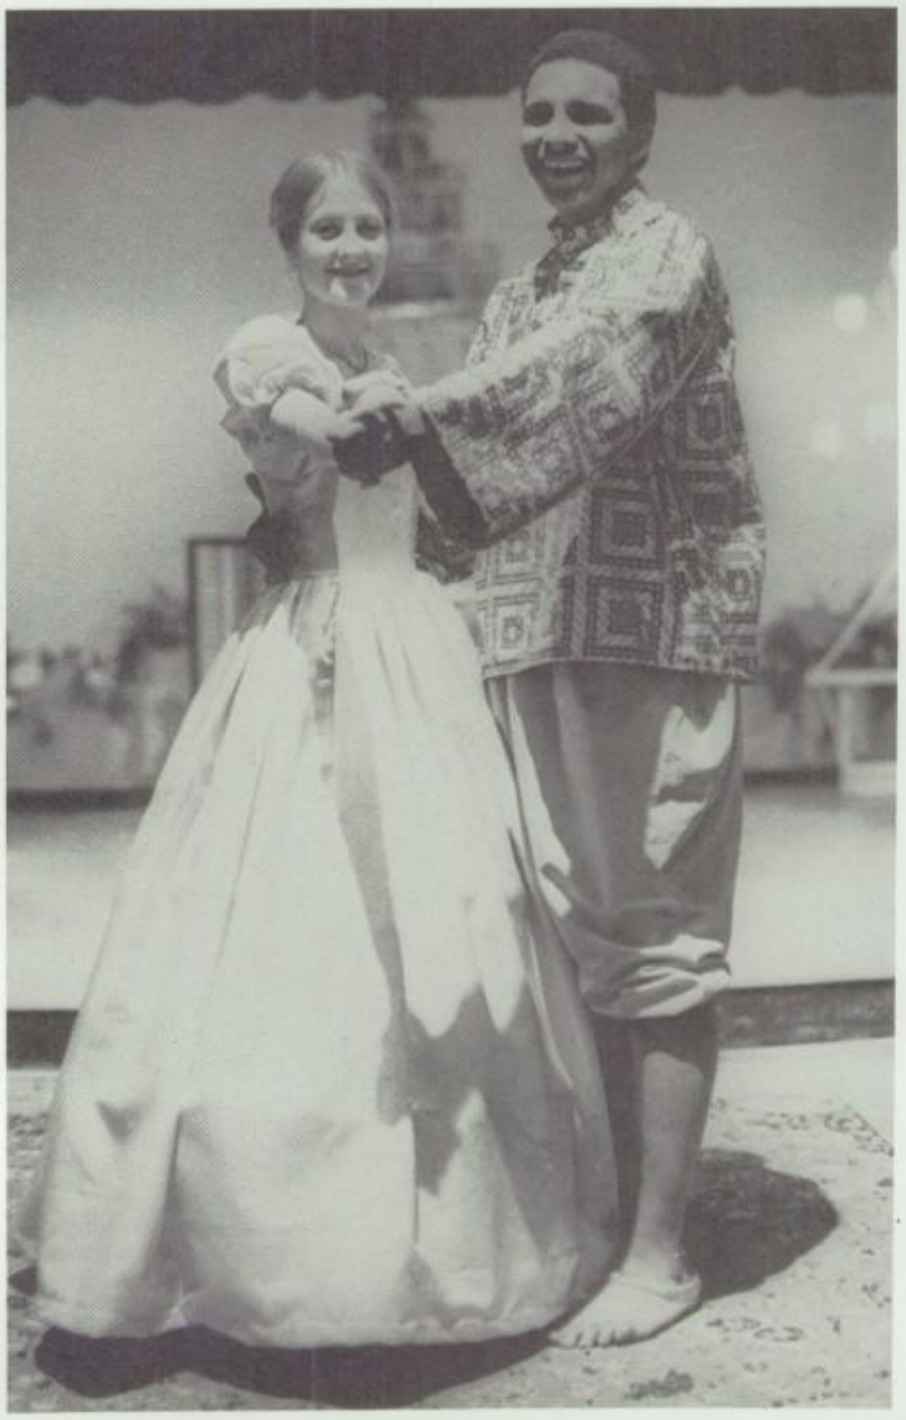
THE KING AND I



The 1978 spring production of "**The King and I**" was a grand culmination of the extraordinary efforts of many people at North Forsyth. Remarkable performances by Chuck Dargan as the king and Glenda Morgan as Anna added a wonderful spice to the professional performance. The entire cast along with the chorus and band provided the audience with an exceptional show.

The play involved the arrival and subsequent realizations of Anna, the governess to the king's numerous children. Anna came to know the king through numerous trials and hardships. Threatening to leave, she rushed back to the king who was on his deathbed. She resolved to stay and help the children, especially Prince Chulalongkorn, the king's successor.
